

Alaska Arts Education Consortium and the Kenai Peninsula School District presents:

# ***Science, Literacy and the Arts Institute***

***July 31 - August 4, 2023***

***Soldotna, Alaska***

***3 credits, 500 level***

***Join us for a week of vibrant, inciteful and collegial learning***

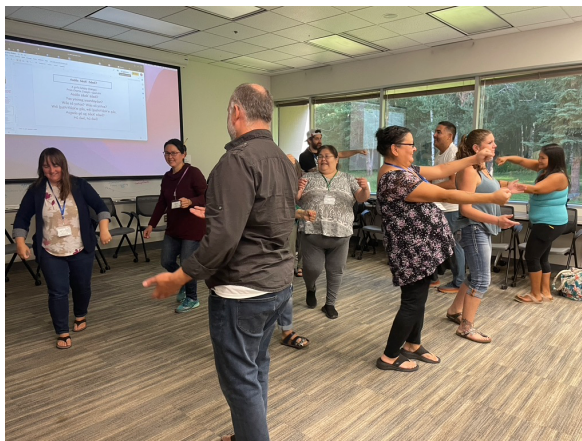

During this 5-day event, participants will learn to use science and the arts as a venue through which to promote literacy and language development. Participants will attend sessions with three highly qualified teacher-leaders that are experts in their fields, including movement, visual/media arts, and cultural arts. Each day will start with a plenary session, followed by various creative sessions mixed in with regional cultural presentations.
